

ONE ANGRY JEW

There is Neither Jew NOR Gentile Galatians 3:28

Recently I heard a person ask the question "Why Does Satan Hate the Jews?" It seems that people tend to forget that Satan hates everyone. He is not a respecter of persons.

Satan hates every person ever created because he hates all those made in the image of God. That encompasses all of mankind not specifically the Jews.

Satan is not Omniscient and learned about the Greatest Story Ever Told as it had been given to the Prophets, and then unfolded through Messianic Prophecies in the recorded words of God Himself in the Old Testament.

Satan knew from Genesis 3 vs.15 that God promised a Redeemer that would destroy him. When God consummated His Covenant with Abraham, the sand in satan's hourglass began to run out one grain at a time. He then began hating the Jews and focusing on their destruction.

Satan intensified the Jewish persecution until the Cross-. Then at the Cross the Messiah, the Christ of the entire world was crucified but then rose from the dead exactly as Scriptures foretold. Gods Redeemer had arrived.

Satan missed his opportunities to both impede and stop the birth of Jesus and then His crucifixion and resurrection. He now focuses on Born Again Christians all over the world even more than on the Jews.

Today, more than ever before the ground is level before the foot of the Cross-for both Jew and Gentile. The playing field has been leveled among the nations of the world.

The statement by Isaiah and later echoed by the Apostle Paul regarding the fact that there is no one righteous among us, not even one; applies not only to people but also to the all the nations of the world including Israel today.

This simply means we are all fallen and do not need satan to make us worse than we are. So satan is now an equal opportunity hater of Jew and Gentile alike.

I hear people echo to each other about the next great work of the Holy Spirit, that being the spiritual revival of the United States of America prior to the second coming of Christ.

Why are we so arrogant to believe that Gods plan will go forward only through the United States of America?

These same people postulate that it will be a revival that begins through Messianic Jews alive today. They even reference current leaders of the Messianic movement as being Gods men for a time such as this.

They lift these men up and say they will be greater than those saints of the past that God truly used to build His Church.

These proud people are blind to the fact that God is bringing more people to Himself today than ever before. The difference is that He is bringing in the poor, the meek and the humble that live in 3rd world countries.

People that are oppressed, people who pay with their lives for their Christian faith.

The poor of the world look forward to heaven. They are people who do not have a death grip on materialistic goods. They are people, who take seriously the command to witness to everyone they love; because the only thing eternal on the face of this earth, that can go to heaven with them is a human soul.

The western world shakes its fist at God and says it wants for nothing, especially HIM.

Jesus said in Revelation 3:17...**you say, 'I am rich; I have acquired wealth and do not need a thing. But you do not realize that you are wretched, pitiful, poor, blind and naked'**."

I believe these are Christ's words to the Western World today. I also believe we are on the edge of the darkest time the world will ever know. And we are on the edge of the greatest event the world will ever know.... the dawning of Eternity.

I no longer look for spiritual revival prior to the tribulation. And yes it will be the Jews who finally fulfill their command by God through Abraham to be a witness to the Nations during the last 3 years of hell on earth.

It will not be the nation of Israel but **a Remnant** of 144,000 Jews, 12,000 from each of the 12 tribes of Israel that God will use and the Bible says multitudes will be saved through them!

There are those in the Church who have a huge love for Jewish people today; they want them to come to know Christ desperately. That has become the prime motivating factor of these people and their main evangelistic focus.

They have taken Paul's statement in Romans "to the Jew First" with such zeal I fear they are forgetting people nearest and dearest to them within their own families who also need to hear the Gospel.

When they come to me because I am a Messianic Jew, a Jew that believes in Jesus as my Savior and Lord. They come to me asking me to participate in the events that they have set up to show their support for the Nation of Israel.

When I tell them that I sincerely appreciate their motivations but I am not as interested in that as they are...they are shocked and begin questioning me.

They always bring up the atrocity of the Holocaust, when 6 million Jews were annihilated. However they never remember to mention the other people groups that Hitler killed in the millions in his attempt at ethnic cleansing.

I immediately turn that into a question for them. What about the Holocaust that is yet coming for the Jews during the Tribulation time when 2/3 of them will die? God is not done purifying His people Israel. His plan now is the same as it was before...**to keep a Remnant.**

What about the Holocaust that God brought upon mankind with the Flood sparing only one family of 8 people out of untold millions of people?

What about the daily Holocaust of people throughout time, that God has allowed since the flood?

And what about the final Holocaust of humanity at the end of time when almost all people left on the planet will die?

Are the Jews special, do they have a special place in the heart of God ...the answer is a resounding yes!

It pains me to see the Jews left out of Missionary events at Churches and to see the lack of Jewish Evangelism. But it also pains me to see the lack of Evangelism towards all the Nations. God still is purifying His Church and the principle of the **Remnant applies** to the Church today as well as the Nation of Israel.

Christ came to save the Lost and that means everyone.

Listen carefully. God gave the knowledge of HIMSELF to the Nation of Israel in the very beginning. God charged the Jews with the responsibility to make the One True God known to the entire world.

They failed at that responsibility and worshipped false gods; choosing the curses and not the blessings listed by Moses. Then Israel began worshipping the words

of men holding them higher than the Words of God creating a pharisaical / rabbinical Apostate Religion that will not save the soul of anyone.

The Nation of Israel has been paying the price ever since in terms of the worlds Anti-Semitism. Israel is reaping the whirlwind that it has chosen because Israel has turned its back on the ONE True God that created their nation.

Later the Church became responsible to continue making God known to the world after the Crucifixion of the Jewish Messiah Jesus. Jesus died for our sins and became the only way to Salvation. The church has continued through the power of the Holy Spirit to raise only a remnant of true believers since the Cross.

But for all intent and purposes the Church also has failed miserably in following the Command of the Lord to Witness and mankind is still on the wide road to Hell rather than the narrow road to heaven.

As a believing Messianic Jew I look at myself as one of those who try's to fulfill the call of God given to my forefathers, which is still to make God known to **ALL** people. And Yes that also means evangelizing Jews. That is exactly what I do, when God **brings me** a Jew to evangelize.

My heart beats with both Peter (the apostle to the Jews) and Paul (the apostle to the Gentiles). I see both groups as equals before the KING of KINGS.

Therefore my heart cries out for all people, because all people need the Lord. People have Fathers and Mothers, and Brothers and Sisters and Sons and Daughters, and Children and Grand Children.

I want you as a believer to reach out to your families. And understand that if you do not... **Then who will?** Everyone you love will go to Hell if you do not plant seeds into their hearts so the Holy Spirit has something to work with, to bring them to Christ.

So yes I love my Jewish people. But I love **ALL** People. I take seriously my mandate to witness to **ALL** People that God brings within the touch of my hands and the sound of my voice.

I witness **first** to the person that God brings to me.... whoever they are.

The nation of Israel has put its faith in its military might. They have forgotten that their real secret weapon is God. Yet soon they will understand this again as God fights on their behalf as all the nations of the earth come against them.

Then they who remain will lift up their eyes on whom they have pierced and cry out the Name Above All Names, Jesus, Yeshua, which translated means Salvation, and they will be saved!

The marines represent the pride of the military of the United States of America. They are always the first to go into combat and the last to leave.

I saw a billboard sign on the road to work this morning. It had a picture of a beautiful saber in its sheath. It is something to behold. The Marine saber represents the might of the United States of America.

The words over this saber on the billboard represent the creed of every American.

“Earned, Never Given”

This is the way of mankind.

God uses the same 3 words but in a different sequence.

“Given, NEVER Earned”

This is the way of God.

I say the following all the time to anyone that has ears to hear...

I am not a Jew, or a Catholic, or an Episcopalian or a Lutheran. I am not a Methodist, or a Presbyterian or a Baptist. I am not a Charismatic nor am I a Pentecostal. For that matter I am not Yellow, Brown, Red, Black or White.

I am none of the above.

What I am, is a Child of I AM and a Follower of His SON Jesus.

Stop worrying...God is coming home!

Amen and Amen
