

I just came home from the second of two funerals in my Jewish family in the past 2 weeks. I am reminded that life is very short and we do not know that we have tomorrow.

These were the last of the Holocaust survivors in our family to die. They died not knowing their Messiah Yeshua, their Savior JESUS, the Son of God. In fact all of the family members that came from Europe after the war have died without faith in their Messiah...that includes my mother and father.

Four months ago I went through two heart procedures that saved my life. GOD gave me more time to be with those I love. But more importantly God gave me more time to serve HIM as a Messianic Jewish Believer in Christ so I could continue to share the Good News of the Death and Resurrection and the 2nd Coming of the Messiah.

Sitting during the services of these loved ones was difficult for me. The testimony of love, given by the Adult Children and Grandchildren through their tears was humbling. Others came up to share tender moments of life about the departed.

I realized that everyone's voice was heard at the funeral service...but one voice. You see the dead have no voice at their funeral. So I have decided to provide you with a commercial announcement for my website www.crosseseverywhere.com.

If you take the time to really explore the stories I have written, you will begin a journey that began for me at the age of 38; a journey to understand and know the ONE TRUE GOD. It was the most important journey of my life and it will also be the most important journey of your life.

You are an eternal being encased in a physical body that is deteriorating daily. The reason you live is only to come to know the True God that created you. You were given only the years you live to come to that knowledge.

There are two roads, leading to two different places that require one of two choices to be made by you. One will bring you home to be with God and the other will send you to a different place away from God and with no hope of ever seeing those you love forever.

In the spiritual world to come there is Eternal Life and Eternal Death. If you choose to live without the ONE TRUE GOD during your life, then GOD will acknowledge your decision so you can spend Eternity without HIM.

I want those I love that are here listening to my words to know I love them deeply and desperately. For years, I have prayed for each of you, in desperation before a HOLY GOD, that you would accept Jesus as your Lord and Savior while you live.

So please seriously begin to read what I have written and left behind for you. You will see that my Heart and the Heart of God beat together in unison. And you will understand that God is your Father. Here is a letter from HIM to you, completely written from HIS own words in the Bible.

My Child...

You may not know me, but I know everything about you.

I know when you sit down and when you rise up.

I am familiar with all of your ways.

Even the very hairs on your head are numbered.

For you were made in my image.

In me you live and move and have your being.

For you are my offspring.

I knew you even before you were conceived.

I chose you when I planned creation.

You were not a mistake, for all your days are written in my book.

I determined the exact time of your birth and where you would live.

You are fearfully and wonderfully made.

I knit you together in your mother's womb,

and brought you forth on the day you were born.

I have been mis-represented by those who do not know me.

I am not distant and angry, but am the complete expression of love.

And it is my desire to lavish my love on you
simply because you are my child and I am your Father.

I offer you more than your earthly Father ever could
for I am the perfect Father.

Every good gift that you receive comes from my hand.

For I am your provider and I meet all your needs.

My plan for your future has always been filled with hope,
because I love you with an everlasting love.

My thoughts toward you are countless as the sand on the seashore,
and I rejoice over you with singing.

I will never stop doing good to you.

For you are my treasured possession.

I desire to establish you with all of my heart and all of my soul.

And I want to show you great and marvelous things.

If you seek me with all your heart, you will find me.

Delight in me and I will give you the desires of your heart.

For it is I who gave you those desires.

I am able to do more for you than you could possibly imagine.

For I am your greatest encourager.

I am also the Father who comforts you in all your troubles.

When you are brokenhearted, I am close to you.

As a shepherd carries a lamb, I have carried you close to my heart.

One day I will wipe away every tear from your eyes.

And I'll take away all the pain you have suffered on this earth.

I am you Father, and I love you even as I love my son, Jesus.

For in Jesus, my love for you is revealed.

He is the exact representation of my being.

He came to demonstrate that I am for you not against you,

and to tell you that I am not counting your sins.

Jesus died so that you and I could be reconciled.

His death was the ultimate expression of my love for you.

I gave up everything I loved that I might gain your love.

If you receive the gift of my son Jesus, you receive me

and nothing will ever separate you from my love again.

Come home and I'll throw the biggest party heaven has ever seen.

I have always been Father and will always be Father.

My question is....Will you be my child?

I am waiting for you...Love, Your Dad....**Almighty God**

Play the following song by Steve Green.

May all who come behind me find me Faithful.

I'm a pilgrim on the journey of the narrow road and those who've gone before me light my way.

Cheering on the faithful, encouraging the weary, their lives a stirring testament to GOD's sustaining Grace.

Surrounded by so great a cloud of witnesses, let us run the race not only for the prize.

But as those who've gone before us, let us show two thumbs behind us, to the heritage passed on through Godly lives.

Oh may all who come behind me find me faithful. May the fire of my devotion light their way.

May the footprints that I leave, lead them to Believe, and the life I lived inspire them to obey.

After all the hopes and dreams have come and gone, and my children sift through all I've left behind.

May the clues that they discover and the memories they uncover, become the light that leads them to the road we each must find.

Oh may all who come behind me find me faithful. May the fire of my devotion light their way. May the footprints that I leave, lead them to

Believe and the life I lived inspire them to obey. *Oh may all who come behind me find me faithful.*

When Jesus Comes Again...

The sun will rise and the darkness will flee. The Earth will rejoice and the leaves of the trees will clap their hands for joy.

The animals will live together in peace. The angels will sing again. All of Gods Born Again Creation Will Rejoice.

If you know the Son of God personally as your Lord and Savior you will be free from sin forever, and your name will be found in the Lambs Book of Life.

And, then the God who called you forth out of nothing will welcome you home with open arms and nail pierced hands.

And for the first time in your life you too will know who Jesus really IS, because your walk by Faith, will now be a walk by Sight throughout Eternity. I hope to see you again in Heaven!

In HIM I found me.

AMEN and AMEN
