

*Turn and SEE... I AM is Here !*

*One of these days the Holy Spirit will knock on the door of your heart for the last time. And there will no longer be opportunities for you to come home to be with Christ for Eternity.*

*Are you waiting for that day to come when all hope is gone for you?*

*Why, are you waiting for that day?*

*God made you an eternal being and you will live forever. You will always be who you are. The death we all experience the first time is the physical death of our body only.*

*Death is but a door to the rest of your eternal existence.*

*But your eternal existence can be Eternal Life in the presence of God. OR, Eternal Death to be out of the presence of God forever without HOPE.*

*You are playing with Eternal Fire!*

*The person inside of you is really who you are, not the reflection in the mirror you see daily.*

*When you look in the mirror and you see the flesh that reflects back at you, it's only a dying body that seems to have life. It's the vehicle you live in.*

*Look into your eyes they sparkle don't they? They reflect light. It's the Soul inside of you that has value...not the body you live in.*

*Why? Because; it is your Soul within you that is made in the image of God not your body.*

*God made you, He loves you, and He wants you to come back to Him. But instead of you coming back to Him you ignore Him. You devote no time to HIM. You do not even know who HE is.*

*You can only find Him within His personal Revelation to you in the Autobiography He wrote through the Prophets and Apostles called the Bible.*

*Please listen...He is only going to chase you and whisper your name for so long!*

*Then He will give up on you. And God will blot your name out of HIS Book of LIFE. That will be the day that you will go into an Eternity with no hope.*

*You have spent your entire life doing your will. Doing everything you want instead of what God wants you to do.*

*When your last day on earth comes and you have lived your entire life in darkness ....not hearing His call, not seeing His love, and not feeling His touch.... living with a Heart of Stone that did not beat with His...then God will fulfill your hearts desire and give you what you want.*

*Which is to spend Eternity in Hell completely alone, in the dark with nothing solid to stand on; reliving your life over and over again for eternity...away from HIM.*

*You will have become one of the Forgotten.*

*But that is not what God wants for you. God wants to take you home to be with HIM in heaven.*

*I am writing this to you, not on my authority, but by the authority of All Mighty God and His written Word that says to you that He wants you to go to Heaven.*

*God has provided only ONE WAY for you to get into Heaven.*

*He has outlined the details for you. The work has been done. All you need to do is explore the Greatest Story Ever Told.*

***Read the story in the Old Testament about the Prophecies that are pre-written History that have come true and point the way to the Messiah.***

*Then read about Him; the Messiah who came already the first time and fulfilled the Old Testament Prophecies.*

*Read about the Messiah in the New Testament as He walked out of the pages of the Old Testament to live the life He was destined for among the creatures He created.*

*Read and you will see and hear the Words of Gods only Son, who walked this earth. Jesus the Son of God.... the King of Kings, the Name Above All Names.... your Savior and your LORD.*

*He is coming back again very soon for the second and last time! He comes not as the Lamb who was slain, but as the Lion of the Tribe of Judah to judge and condemn sinners.*

*He comes as the King of Kings to take back what is His and create a new earth and new heavens.*

*Every word in the Old and New Testament is the Word of God written to you from Eternity past so that you would BELIEVE the Greatest Story Ever Told.*

*God is not mean. God is Holy. You were born with SIN from Adam and Eve. Sin is a disease in your DNA, a disease that will not allow you to stand before a Holy God. Sin bars your way into heaven and must be removed.*

*It's not possible to enter heaven or STAND before a HOLY, HOLY, HOLY God carrying your sin with you!*

*God sent His Son to die to fulfill the sacrificial system, not over and over and over again.... like the sacrifices of lambs and bulls through the centuries for the atonement of the sins of a nation once a year.*

*Jesus died **ONCE for ALL** the sins of every person that ever lived on planet earth throughout the past, the present and the future.*

*Everyone has sinned, and everyone needs atonement. Your wife, your husband, your children, your mother, your father, your grandchildren ...and YOU.*

*Everybody needs to be SAVED.... from Hell.*

*God sent His Son to atone, to die as an innocent, blemish free sacrifice for the guilty...for YOU!*

*The plan for the Messiah/JESUS to die was created in Eternity Past. Then He died on Earth 2000 years ago on the CROSS.*

*Jesus is the Way, the Truth and the LIFE... He is the only way to Heaven.*

*The Story of Jesus is written in the Old and New Testaments. In a real sense it is the very Autobiography of God.*

*God speaks to people only from the words in HIS Book. It is only there that you can answer the most important question that Jesus asks every person, born in time...*

### *Who do you say that I'AM ?*

*God's word is alive and will speak to your Soul and touch your heart and convince your mind and give you HOPE. And then through His Mercy and His Grace ....He will give you Faith to believe in HIS SON.*

*WHY, because you have become a real seeker of the Truth.... taking the time to know God.*

*Then you will be washed Clean in the Blood of the Lamb. The Blood of His Sacrifice...the Blood of Christ, through the power of the Holy Spirit.*

*You will become a Child of God. And you then my friend will be able to go home to live forever in Heaven.*

*But this message is much more than about you.*

*Look around you; will your wife, husband, mother, father, sister, brother or grandchildren be with you in Heaven?*

*Heaven would be lonely for me if I knew I did nothing to help everyone I love dearly to cry out to the Son of God for Salvation while I lived on earth with them.*

*Who will you...*

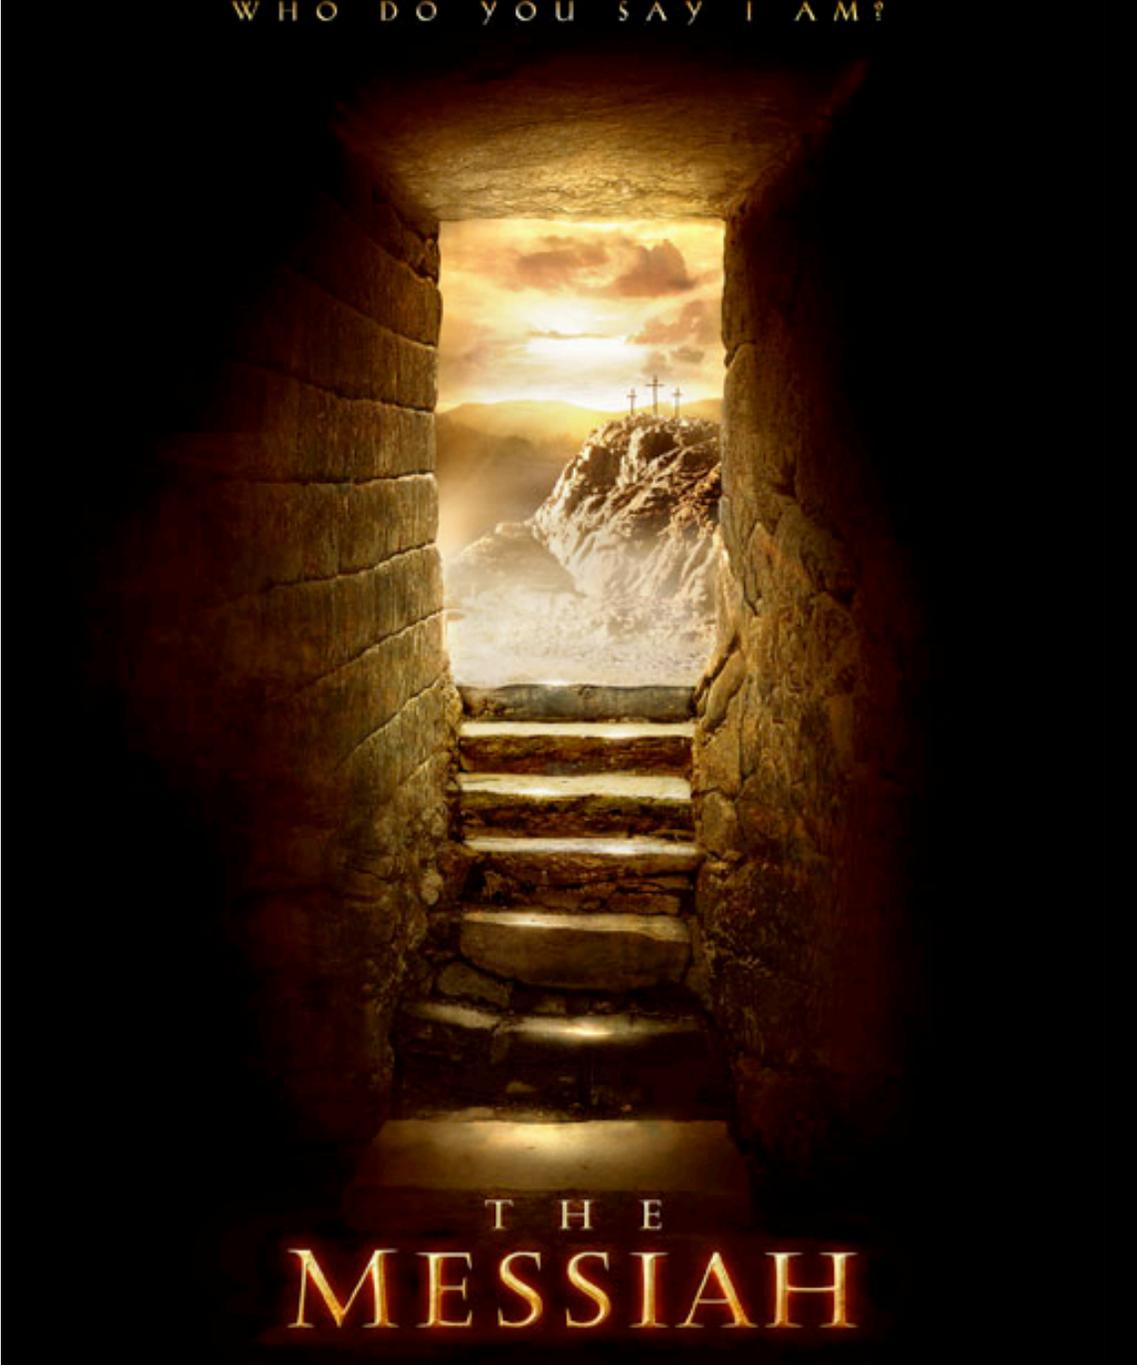

*Leave behind...*

*Without Hope...*

*For Eternity...*

WHO DO YOU SAY I AM?

A stone tunnel with a set of stone steps leading out to a landscape. In the distance, a hill is topped with three crosses, set against a sunset sky with clouds. The scene is illuminated by a warm, golden light from the setting sun.
