

You Did NOT Choose to be SAVED!

If God knows the Beginning and the End.....He does!
If you were born a sinner.....You were and Are!
If a Sinner can only Love Sin.....We do!
If the wages of Sin is Death in Hell.....It IS!
All you can and **WILL DO** is choose death in Hell, not Heaven!

God made mankind in HIS Image. Adam & Eve became sinners by choice!
The WATER came and God let multiple millions of people die during the flood in their sins and only saved 8 people who walked the face of this earth.

In the future the FIRE will come and God will allow multiple millions to die in their sins.

God chose those to be redeemed before He created the Universe in Eternity Past.
God chose and redeemed only a REMNANT of people to be a love gift to His Son Jesus throughout ALL of Mankind's History.

God Chose them, they did not choose God...You have **NO** Choice in your Salvation!

Your Salvation is a Gift from God by His Grace and Mercy through the Holy Spirit to a SINNER like you and I. Until we die in Faith in Christ, we are still sinners saved by Grace as we continue to walk in our Flesh on this Planet.

The Old Man still lives in me as He does in YOU!

Until the Holy Spirit removes your heart of stone and replaces it with a heart of flesh that then pumps Royal Blood, we are only the walking dead on our journey through life to an Eternal Death.

John MacArthur would tell you on behalf of himself, Calvin, Spurgeon and others that you have **NO CHOICE**. Consider yourself blessed because you have been given what you do not deserve as a sinner, which is Eternal Life and to be in Heaven.

You my friend now belong to a new forever family...the family of Messiah.

The sin that GOD HATES the MOST is PRIDE. When you feel the desire to defend your choice, saying you have a part in your Salvation you are speaking from the PIT. And if you listen closely to the WHISPER of God you will hear "Get behind me Satan" just as Jesus said to the Apostle Peter.

By not recognizing your faith as an undeserved Gift from God to you...then you my brother in Christ want to appease your inner sin of Pride.

So get over yourself and Praise GOD for who HE Is and be humbled that He came to die for you personally on that Cross.
