

Heartless, Cruel, Not Human... EVIL from the PIT

“All that is necessary for the triumph of evil is that **good men do nothing**. *Do not allow evil to triumph. Do not do sit by and do nothing.*”

...Edmund Burke

“Within us the dust of the earth and the breath of heaven are joined in a mysterious union only death can separate. Our eyes are windows into our Soul and there is more to you than you know!”

...Ken Gire

The clouds of war blocked the sun over Europe. Evil given permission by God was now going to have its day. This day of shadows was to last 4 years. The master planner of this horror, satan, was going to get his fill of souls for a short time. For satan, like an unruly dog is on a leash, held by the Hand of Almighty God.

During this time satan would destroy millions upon millions of people branded by Hitler unfit to live; including 6 million Jews. Many Jews in the thousands escaped by leaving Europe in the years before the doors were shut. But not my parents.

They could not believe nor envision the evil that human beings with black hearts were capable of doing to their own kind. And so they stayed, and were ensnared. They not only lost things they cherished, but the precious lives of loved ones.

Armin and Margaret my parents were never the same. My mother lost her entire family; my father lost his wife and two children. Teddy, a boy, was nine years old and had deep chocolate eyes. Lillian, a girl, was eleven years old with eyes the color of the sky and hair like wheat in the sunlight.

The Death Angel came into neighborhoods in the disguise of hoards of Busses to collect all the Jews to take them to the Death Camps. The trip to their destination was filled with anxiety for everyone. Mothers, Fathers, Children, Grandchildren, Uncles, Aunts and Cousin's; entire families collected like cattle for slaughter did not know what was going to happen.

No one new, no one could even imagine the horror that awaited them at their final destination.... their individual appointment with destiny.

My mother told me the story of arriving at Auswiche with her sister and her sister's children, Teddy and Lillian.

The four of them were in one line and a Nazi soldier pulled my mother out of the line and put her in a separate line by herself. My mother left the line 3 times to go back to be with her sister and her children.

Each time she was beaten and thrown into the other line. The last time she was beaten with clubs and physically could not get back so she was carried along by other people, unable to walk.

Her eyes were locked on three precious souls, the four hearts beat as one as the three slowly disappeared from her view.

Her last memory would be seeing the silent scream on the face of her sister as her two children clinging to her, walked together into the darkness of a past that haunted her for the rest of her life.

Once inside the GAS CHAMBER, Teddy and Lillian and their Mother died a horrible death. Their mother stood with the two of them clutching each other among a packed room of strangers. They were all naked in a shower room. There was silence as they all heard the hissing sound together at the same time. No water came forth, **just the sound of gas**, then the sound of choking, then the screams of pain from their eyes and the burning in their lungs.

They clung together, Lillian, Teddy and their mother. They fell together with the rest of the people. And they were buried together in a mass unmarked grave.

My tears flow as I write this for here on my desk are both Teddy and Lillian, captured in a moment of time gazing at me. Their eyes so filled with life.

Anger burns in my soul, yet I hear the whisper of God calling to me..." Ernie, the actions of mankind are no longer human, but the result of a disease all humans have called Sin. I have provided a cure for this disease that is part of their DNA.

People who choose not to take the cure will be dealt with individually when they stand before me. As to the rest of them, Revenge and Justice towards all evil is mine alone, Ernie...**justice and revenge will be served by ME!**"

Teddy and Lillian live today in heaven before their Lord. No more tears for the Lord has wiped them from their eyes. They wait patiently for me in paradise to come to them and I look eagerly to that day of reunion.

I have one more sibling that died young; to be exact after 4 months of life. My Aunt Bella a strong willed woman ruled this family of immigrants here in Detroit. One day Bella came by and took my mother for a ride to her son's business. My mother was not feeling well; she seemed to have gained some weight.

My mother never recovered mentally from her experience in the camps. She was timid, shy, meek and quiet. My father was not home at the time. And so Aunt Bella took my mother to her son the doctor. He was a very prominent doctor, so prominent that he specialized doing favors for the Jewish mob in Detroit. The favors were abortions for their daughters when they became pregnant.

So it happened that two heartless people teamed together to bring an unsuspecting woman onto an examination table and then proceed to abort, to murder my sister. She too cried out in agony, the silent scream from my mother's womb that only God could hear.

I learned of this a few months after the death of my mother when I was in my thirties. My father, very ill himself needed to confess this atrocity that he kept hidden in his heart for years. Aunt Bella died a forgotten old woman alone; she took her own life with an overdose of sleeping pills.

Her son while butchering an unborn child in the womb of his crime bosses daughter, made an error and she died. He ended up in prison. One year later he was found in his cell with a rope around his neck, hanging from the ceiling.

Yes my sister with no name died a horrible death within the womb of my mother at the age of 4 months. The one with no name was cheated out of life and I was cheated out of knowing her, just as I was cheated out of knowing Teddy and Lillian. But all three are alive waiting for me to come home.

What's that you say, where is my father, his first wife, my mother...won't they be waiting for me as well. The answer to that is NO. The **NO is not my opinion**, it is not an assumption, and it is not even a guess.

It is FACT, based on the Words of God in the Bible. God has said there is ONLY ONE WAY to heaven and that is through the Cross of HIS SON. The Old Testament speaks of this in the Prophecies of the coming Messiah. The New Testament speaks the same from the very mouth of Gods Son, the Promised Messiah.

Lillian, Teddy and my Sister with no name, were too young to understand the Gospel of Christ. They had no ability to make a decision one-way or the other. They are the little ones that Christ refers to when He said "let the little ones come to me...". For them God provides mercy and brings them home to be with HIM in Heaven. For a child to die it means instant heaven.

Everyone else either has taken the time to investigate the claims of the Bible or they have not done so. If you have chosen not too believe after truly examining The CASE for Christ, that's your decision and you will live with it forever.

If you have chosen not to investigate the topic and you do not believe then you have made the same decision and you will be granted your desire, which is to be where God is not ...for eternity.

The deaths of Lillian and Teddy and My Sister with no name are a blessing from God. Is it better to die before the age of understanding and go to be with the Lord in Heaven? Or, is it better to walk this earth for 75 years and never come to know the Risen Lord and then die in your sins and spend an eternity in Hell?

After the war was over both my parents were re-united in the immigration camp. My father formerly my mothers brother-in-law, and my mother formerly the sister of my fathers wife.

It took 2 years for them to regain their health. They married in the camp. Their mutual loses drew them together into a marriage built on a foundation of pain and suffering. But God in His Mercy brought them comfort in each other and blessed them with me; a new life to cherish into the future.

Prior to immigrating, Jews who lost homes were allowed to go back to the cities where they had lived and reclaim their homes should they want to. Most found nothing left to come home too and so they immigrated all over the world.

In the case of my father the people occupying his home allowed him to go into the backyard and dig up a box that he had hidden in the earth. A box filled with treasures, jewelry, and money. These things had no value to him...but the pictures...OH Dear God, the pictures...the images of love and life lost; he gently held close to his heart and brought them with him.

Armin had walked his own "Via Delarosa"; his road of suffering. At its end he found only misty memories of the past. He had lived through hell on earth just to be able to touch the hands of his children and hold his wife once again. But they ...were no more.

His hands shook and all the pent up anguish came out in great sobs and tears as he held 3 pictures of 3 hearts gently against his breast...Teddy, Lillian and the only remaining picture of his wife as they stood bride and groom together looking forward to a bright future.

And so he walked forward into a new life clutching the old life...crying out to God...WHY?...but only hearing the sound of silence. He never understood till his dying day that it was satan who robbed him...not God.

For the last month my wife Elyse has been recreating our family's visual journey of life, by redoing all our photo albums. For weeks now I could not understand

why we keep pictures. Rarely will anyone ever look at them. There are people I don't remember, others I would like to forget.

But now I understand why she has so tenderly and carefully created the journey that is our life; in the precious books of memories I now can review.

I am staring at Teddy and Lillian. I have the pictures my father once held in his hands. They are with me here as I write. All that's left of them I now hold in my hands. In a very real sense I now hold their hearts and my fathers heart.

They are the brother and sister I never had a chance to know.

What about you? Do you have a brother or sister that have died young that you never got a chance to know? Are you a parent who has lost children at a young age and now like me; you hold precious photographs in your hands that represent the hearts that once lived in bodies you could hug and kiss?

Look closely at their pictures and you will see eyes filled with light and life. If you look long enough you will be able to see deep into their souls.

Teddy and Lillian just like your brother or sister, or your child still live today, just as you do. Not as memories, but as who they are. Each a unique person created by the Living God to live for eternity. Each has been given a new body to replace the old; no longer a youth but a young person with a new strong body free of pain or any form of weakness. A body fitted to live for eternity.

I have reached into my memory to help you understand the atrocities of evil that have plagued this world since its fall in the Garden of Eden. History is represented by a river of blood filled with dead bodies due to wars.

However now we have the ability to massacre Millions because of our technological weapons of mass destruction. God blessed the United States of America in its beginnings because of the Christian principles that guided this country.

America has risen to its power of strength because Almighty God covered us with His Wings of Protection so we could confront EVIL anywhere in the world and make a difference. As we did this we also became the new home of immigrants who came wave after wave to our shores, running away from evil, to start a new life in this country.

The generations that built this country through World War 2 are almost all gone. Along with their passing has gone the true soul of our country. We no longer feel the need to confront EVIL.

Hence:

We choose to debate topics like the use of Sarin GAS in Syria to kill thousands. We choose to negotiate with governments that oppose the One True God while the atrocities continue to happen daily.

But Worse:

We choose to shut our ears thousand of times daily, to the Silent Screams of Aborted Babies from their Mothers Wombs. God has made it clear that we are to help the widows and the orphans...the least of these.

Yes we give money, we feed the widows and the orphans, but we **BUTCHER** the least of these in their wombs.... **LIKE MY SISTER WITH NO NAME.**

WHAT HAS HAPPENED TO US? :

The answer is simple, we have found US, individually and we are only interested in ourselves and no one else.

Someone else in Eternity Past became and still is who we now are fast becoming both individually and as a nation. This person is the epitome of Pride, which is the SIN that the ONE TRUE GOD hates the most!

That someone is satan:

"How you have fallen from heaven, O morning star, son of the dawn! You have been cast down to the earth, you who once laid low the nations!

You said in your heart, "I will ascend to heaven; I will raise my throne above the stars of God; I will sit enthroned on the mount of assembly, on the utmost heights of the sacred mountain? I will ascend above the tops of the clouds; I will make myself like the Most High." But you are brought down to the grave, **to the depths of the pit"** (Isaiah. 14:12-15)

The ONE TRUE GOD brought a flood of water that destroyed an entire civilization except for 8 people on the entire planet that HE SAVED in the ARK.

That civilization was the epitome of I will and Scripture says they were Evil in ALL their thoughts and ways.

The ONE TRUE GOD will destroy this planet this last time with FIRE not water.

HE is now letting not just America, but the rest of the world REAP the WIRLWIND of Consequences that we have chosen by our Thoughts and Actions based on our will ...not HIS WILL for us.

The Catch phrase used to be “God has left the building”. HE has left much more than the building; He is slowly but surely leaving the planet and its population of Un-Believing people just as in the days of Noah.

This message is bitter, but it is true. If you know JESUS as your LORD and SAVIOR then PRAY without ceasing for those closest to you that the HOLY SPIRIT would bring them to FAITH and that your reunion in Heaven would be made up of your earthly family as well as your new Brothers and Sisters in Christ ...the SAINTS of All the past ages.

The cry of our people today is “May God Bless America”. It is hollow and devoid of meaning. What it should say is ...

May America Bless GOD!

Quote by Edmund Burke

“If you have ears to hear and eyes to see with and a heart that is made of flesh and not stone. Then you can hear the Silent Screams of Children in their Mothers Wombs and you can see the results of the innocent people with children gasping for air, Silently Screaming for help as they die from Sarin GAS.

*For the Love of God How Can You, How Can AMERICA...
Do **NOTHING** and let EVIL TRIUMPH?”*
